REMARKS

In response to the restriction requirement, Applicants  
elect herewith the claims of Group I, namely, claims 26-33, for  
initial prosecution. This election is being made without  
traverse. Because Applicants have not elected claim 34,  
Applicants believe that no species election is required at this  
time.

Please note that new claim 47 is being substituted for  
claim 26. Claims 28, 29 and 32 have been amended to depend from  
new claim 47. Claims 27, 30 and 31 have been canceled.

Examination and allowance of the elected claims is  
respectfully requested.

Respectfully submitted,
